

Ishita Rao

Smart Grid Specialist
Torrent Power | 6 years experience
Hyderabad, India
Email: ishita.rao@gmail.com

Experienced professional specializing in Renewable Energy, Grid Infrastructure, Electrical Engineering, Smart Grid Technologies, and Power Systems Optimization.

Core Skills
Renewable Energy Systems
Electrical Protection Systems
Energy Audits
Grid Code Compliance
Power Systems Analysis
MATLAB/Simulink
ETAP
Solar PV Design

Professional Experience

- Led renewable energy integration projects across transmission networks.
- Implemented SCADA and IEC 61850 based substation automation systems.
- Performed energy audits and improved grid efficiency using predictive analytics.
- Worked on solar and wind energy projects with smart grid integration.

Education: B.Tech/M.Tech in Electrical Engineering

Certifications: Renewable Energy Systems, Smart Grid Technologies, Python for Data Science
