

Meera Chawla

Smart Grid Specialist

ABB India | 12 years experience

Hyderabad, India

Email: meera.chawla@gmail.com

Experienced professional specializing in Renewable Energy, Grid Infrastructure, Electrical Engineering, Smart Grid Technologies, and Power Systems Optimization.

Core Skills
Transformer Engineering
Smart Metering
Renewable Energy Systems
Python for Energy Analytics
ETAP
Grid Code Compliance
MATLAB/Simulink
Grid Modernization

Professional Experience

- Led renewable energy integration projects across transmission networks.
- Implemented SCADA and IEC 61850 based substation automation systems.
- Performed energy audits and improved grid efficiency using predictive analytics.
- Worked on solar and wind energy projects with smart grid integration.

Education: B.Tech/M.Tech in Electrical Engineering

Certifications: Renewable Energy Systems, Smart Grid Technologies, Python for Data Science
